Song Lyrics: The Rescue Aid Society

"Rescue Aid Society" is a song from the 1977 Disney film, "The Rescuers," sung by the various international mouse delegates during the R.A.S. meeting.

R-E-S-C-U-E

Rescue Aid Society
Heads held high
Touch the sky
You mean everything to me

In a fix, in a bind
Call on us anytime
We'll appear from nowhere
Mighty are we

R-E-S-C-U-E

Rescue Aid Society
Honesty, loyalty
We pledge to thee

R-E-S-C-U-E

Rescue Aid Society
Heads held high
Touch the sky
You mean everything to me

In a jam, in a scrape
And you think 'no escape'
Do not fear, we'll be here
Courageous are we

R-E-S-C-U-E

Rescue Aid Society
Heads held high
Touch the sky
Our hearts we pledge to thee
